

## Purpose

The purpose of the Friends of the Market is to:

- Continually observe and give input as to the way the market serves its community
- Develop and participate in fundraising efforts to begin to secure capital for future growth and improvements
- Participate in the planning and execution of programs and special events at and for the good of the market
- Share your experiences of the market with the community and surrounding area – be an ambassador!

Although participation in all of the above is not required to become a friend, we welcome your involvement at whatever level you are able to help us grow !

## Become a Friend of the Market!

New Baltimore  
Farmers Market

*“Meet Me at the Market!”*

A group dedicated to the  
continuous growth and  
betterment of the market for  
the good of the community

# Why Become A Friend?

The New Baltimore Farmers' Market has become the heart of our town on Sundays during the summer. Last season, over 18,000 visitors enjoyed the best handmade and homegrown in the area at our market. Our Friends of the Market program fuels the market's continued growth by providing funds to support programming and entertainment, as well as becoming a vehicle for continued community involvement and development. It also helps our market vendors and those local business who are "Business Member Friends" by creating opportunities to market their products and special "Friends Discounts" to all the Friends of the Market!

# We invite YOU to become a Friend of the Market!

Join us in fostering the local food movement and community involvement! For more information, visit our website at [www.ridethewavenb.com](http://www.ridethewavenb.com)

In exchange for a \$20 donation (\$25 if you would like a Tee Shirt!), a fan of our market can earn Friend of the Market status. Friends will receive a special market logo pin identifying them as a Friend of the Market - and wearing it at the market and around town is the ticket to special discounts, freebies, and opportunities all season long. As a "Business Member Friend", we will feature your specific "Friends" specials via emails and market advertising to help draw customers to your business!
